About HealthHarmonie

HealthHarmonie work on behalf of the NHS to provide community based healthcare services and additional capacity support to NHS hospitals. Established in 2003, HealthHarmonie provide healthcare solutions in a number of specialities across England.

Your referral

Your GP has referred you to HealthHarmonie as your condition is suitable for treatment within the community service. Your referral has been received and HealthHarmonie will contact you shortly. **You do not require access to the NHS e-Refferal System to book your appointment.** If you have been provided details for the NHS e-Refferal System, please ignore them and contact us right away.

Book your appointment

You shall receive a letter from HealthHarmonie 5-10 days after your appointment with your GP. Once you receive your letter, **please contact HealthHarmonie directly to book your appointment.** If you do not receive your letter within this time frame, please contact us. Your GP will not be able to inform you about the status of your appointment.
